**COURSE OBJECTIVES AND GOALS:**

- Facilitate as students develop and pursue professional goals while practicing and reflecting upon work at an approved legal field placement
- Improve lawyering skills, including research, writing, and oral advocacy by putting these skills into action and receiving feedback from attorney supervisors
- Further develop habits of reflective learning and self-awareness
- Experience the importance of professionalism by working directly for practicing attorneys
- Expand substantive legal knowledge and analytic skills
- Foster initiative—students are encouraged to ask questions, seek assignments, and take appropriate action without waiting to be directed by others

**LEARNING OUTCOMES:**

This course allows you to step out of the classroom to work closely with practicing lawyers and senior executives while earning academic credit. The work assigned by your field placement should be intellectually challenging and contribute to your professional growth and development. You'll learn by doing and observing, and in the process, grow essential skills for becoming an ethical, skilled, and effective lawyer. This semester will be a unique opportunity for the attorneys and others at your field placement to meet you and see your work over an extended period of time. Make the most of it!

## **GRADING POLICIES:**

This course is graded pass/fail (S/U). You will be working in a law practice setting under the supervision of an attorney. To receive credit for your externship you must:

1. Complete your required hours and provide signed time sheets as described in “Time Sheet Instructions” in Canvas Files. One credit hour equals 45 hours of professional legal work.
2. Conduct yourself in an ethical and professional manner.
3. Complete and submit journal entries/reflection papers on time and as described. These should be thoughtful and contemplative, not just a recitation of tasks. Include your name, the date, and page numbers on each submission. Proofread!
4. Attend and participate in scheduled Zoom class meetings.
5. Schedule and complete a minimum of 2 individual in person or Zoom meetings with me, Professor Edgar, your Faculty Supervisor for this course.
6. Complete and submit Student Evaluation Form and other end of semester assignments near the end of your placement.
7. Complete Individual Class Presentation.
8. Additional readings and submissions as assigned.
9. **Respond to all emails, texts or calls from me promptly.**

**Forms, due dates, detailed instructions, and announcements will be available on the CANVAS class page.**

## **SITE PLACEMENT POLICIES**

As a Student Extern you are expected to comply with the rules, guidelines, and policies of your field placement organization. This includes absences, schedule changes, illness, etc. Note, the Student Extern is required to maintain the confidentiality of any client information or attorney work product according to the policies of the placement organization. Questions should be directed to your Attorney Supervisor or me, or both.
